Service Details

Named Corporate Secretary: We will provide a corporate secretary solely for registration at Companies House and to sign company documents as and when instructed by the directors. This service does not include any other company secretarial services. Provision of this service for PLCs is at our discretion only.

Full Secretarial Service: We will be appointed as the Company Secretary and will file forms as and when instructed, including the Annual Confirmation Statement¹. We will maintain the Company's Statutory registers and will prepare paperwork for up to three transactions per year with regard to the appointment and removal of Directors and the issue and transfer of shares. We do not prepare resolutions or attend meetings. Services are paid for on an annual basis.

¹ Previously the Annual Return

Full Secretarial (Flat Management): As for Full Secretarial, but additionally we will prepare and dispatch notices of the AGM and proxy forms if required and there is no upper limit on the number of share transfers or change of directors per year, though we do charge a £50 + VAT administration fee to the purchaser's solicitor for processing a share transfer when a property is sold. We can also include our registered office and mail forwarding services for no additional fee.

Registrar Service: As for Full Secretarial, except that we will not be appointed as Company Secretary and all services will be charged for on an 'ad hoc' basis rather than annually. This allows for easy outsourcing of registrar services at a fee level scaled to each company's level of activity.

Registered Office Service: We will act as the registered office of the company and will forward governmental mail to your specified address. We do not forward any other mail with this service.

Mail Forwarding Service: The company may use our address for all correspondence and we will forward all mail to your specified address. We charge a ten pence handling fee for each item forwarded together with the Royal Mail postal charges.

Service Address Service: Our address may be used as the 'Service Address' for a director, shareholder or Person with Significant Control. We will forward all letters addressed specifically to the director received at our address, subject to our fair usage policy. Price is per officer per company.
